This document contains release notes for the Version 3.7 release of FOIAonline, for release after COB on December 13, 2018. This document provides a summary of enhancements, bug fixes, and other updates contained in the release.

New Enhancements

- Added the ability for agency users to update their email addresses.
- Added the name of the user that completes a task to the Assigned Tasks table.
- Added the ability to backdate the Closed Date of a task.
- Added ability to search at the office level in Advanced Search.

Bug Fixes

- Fixed issue where certain users would not receive a notification when a task was closed.
- Fixed issue where formatting of letter templates would not be retained in the PDF.
- Fixed the Tracking Number Prefix field on the Internal Options tab to properly reflect sub-agency tracking number configurations.
- Fixed issue where errors on attachments would keep Final Disposition tasks from closing.
- Fixed issue where large case files would time out when generating the Interim Release Notice task.
- Fixed issue where null errors would display on the Financing tab.
- Fixed issue where the setting of the Frequently Requested flag on a record would not be retained.
- Fixed issue where the Raw Data Export and Year-End Annual Report would pull statute names from the Administration tab instead of from case files.
- Created a FOIAonline error page for incorrect PIV/CAC URLs.
- Fixed issue where the organization fields on the Create New User and User Details pages would not filter based on search text entered.
- Fixed issue where Loaded Rate and Billing Rate fields would display for Litigation Cost entries.
- Fixed issue where Annual Reports were not restricted based on exact matches to agency selected and would display results for other agencies with similar acronyms.
- Fixed issue where FTE costs were not accounted for in Year-End Annual Report for L1 agencies.
- Fixed issue where the number of days to adjudicate a fee waiver would calculate calendar days instead of business days in the Raw Data Export.

Other Updates

- Added Wednesday, December 5, 2018 to the list of Federal Holidays that do not count as FOIA processing time.
